## FLANNERY BERG, MBA

Director

### EXPERIENCE

Flannery's professional nonprofit and philanthropic experience spans finance, foundation grants management, operations, fundraising and marketing. As a Director in BDO's Nonprofit & Grantmaker Advisory practice, Flannery leverages her cross-functional experience to help organizations align strategy across their teams and build effective organization-wide systems. Her areas of experience include budgeting, forecasting, fiscal and organizational assessments, and executive coaching. Flannery also works with organizations as an interim, strategic financial leader and co-leads the development of BDO's services to support organizations transitioning from fiscal sponsorship to independent operations.

Previously, Flannery led systems-building initiatives and developed fundraising and marketing programs at organizations in Washington, D.C. including the Fund for Global Human Rights, an international public foundation supporting human rights organizations around the globe, and the American Task Force on Palestine, a foreign policy advocacy organization. At the Fund for Global Human Rights, Flannery was also a grants manager for their Sub-Saharan and North African grant portfolios, where she developed capacity building programs and administered grants to over 150 organizations across nine countries.
